With more than 10,000 established programs across North Carolina, you can be a part of 4-H wherever you live! Members are between the ages of 5 and 19, and volunteer leaders must be 18 years or older. In 4-H, youth can go to camp, start a business, ride in a bike rodeo, take part in an international exchange, raise an animal, create a blog, give a presentation, participate in

a community service project, develop your resume, practice interview skills, learn about healthy eating habits, as well as build life long friendship... JUST TO NAME A FEW!

“Learning By Doing”

4-H provides the pathway for youth to view learning as relevant to the world around them, to connect with their communities, and to become intentionally concerned and contributing citizens of their communities and the state of North Carolina.

“Making the Best Better”

4-H is a youth organization committed to building outstanding leaders with marketable skills to succeed in today’s global society.
